Dear Sir,

In
contemplation of an anticipated
trip abroad thro' Europe & Great
Britain for a few months
leaving here in July, I beg
leave to request from you
the procurement of a general
letter under the seal of the
Court & hand of the Secy of

whenever I may journey -
Father had such a one from
Mr Webster & it was of es-
sential service to him on his
journeyings. I am accom-
panied by two young friends,

Pittsfield May 18/55

My dear Sir,

The Democratic party have a rule which is briefly expressed in this wise, "What's the use in having friends unless you use them" - but I am not sufficiently Democratic to ~~apply~~ ^{enforce} the rule without blushing a little. Indeed I refer to it lest you should think I was seeking to apply it towards you in consequence of the many favors I have at different times asked from you - but such is not the case I assure you, nor would I trouble you now but at the instance of our friend Genl Coaf, who told me to seek the accomplishment

of my wishes thro' you.
In brief then I wish to
procure from the proper Depart-
ment a passport for myself
and two younger companions
entrusted to my care for a
short three months trip abroad.
I shall visit England & Scotland
pass over to the Continent thro'
Germany, Switzerland, France,
Russia & Italy, and hope to
see all that is worthy of
observation in these ancient
lands - The names I enclose
on a slip of paper, with the
eye, color of hair, features
&c &c, but lest it may be
mistaken I repeat here the names
of my companions, James C.
Ladue & Markham S. Brown all
of Detroit, Michigan -
Will you please attend to
this for me & add to my

many obligations to you -
I would like also a
general letter from the
Secretary of State which
could be used any where
abroad - I obtained this
from the Department of State
for Father when he went
abroad, and he said it
was of great service to
him - Should any fees
attach to this service I of
course will remit you
accompanying it with my
sincere thanks.

In second thought I
enclose a note to Sec^y
McClelland soliciting the
general letter referred to
and allowing you to
use it or not in its
procurement if ~~the~~

Hoping that you may

Dear Sir

I am about troubling you with a small private matter in the absence of a particular friend from your City - viz

I wish to procure for my father his wife & John L Watkins a passport each particular of which I enclose & should there be no objection to inserting the

name "accompanied with wife" in John Watkins it may be well to have it put in altho' it is quite uncertain if she goes - if it will not prejudice the instrument if she should not go.

You will oblige me by procuring these for me as early as practicable & any expense attending the same will be forwarded on receipt of your advice.

Yours truly (over)

I have known Col Worth well from 1829 or 1830 since which
time he has been a resident of Key West Florida, and for many years
the principal merchant there. He has to my knowledge been a
longer owner than for many years, and my knowledge has been
derived in part by my having been counsel in admiralty cases
in the Court of Appeals and in the Supreme Court of the U.S. in
which that fact appeared - being counsel for his side of the case.
I know too he held office many years ago inquiring citizenship
under the Territorial Government of Florida and I am quite certain
I commiserated him myself whilst acting Governor - He was a
Member of the first State Senate in 1845 which required citizenship
and was obliged by the Constitution to swear to his being qualified

I may say I know he is a citizen of the U.S. if it can be said
perhaps without recollection of having inspected his naturalization
papers. He has children and grand children born on the U.S. side
and one of his daughters is married to Lieut Myron of the U.S. Army.
His lady was born in St Augustine Florida.

I know all men by these presents, that on this
ninth of May A. D. 1855. Mr Charles Joseph Francis Shroudenback
known to me to be a naturalized citizen of the United States of America and hitherto
a resident of Totosi, in the County of Grant, and State of Wisconsin, appeared before
the undersigned Mr James W. Seaton, a Justice of the Peace in and for the County
of Grant in the State of Wisconsin, and expressed his desire ^{to} of undertaking a
journey (lasting some years) into foreign countries and of obtaining a
passport for the purpose thereof. His description of personage being: Age: 36 years; height: 6'3";
hairs: black; fore-head: flatt; eye-brows: brown; eyes: brown; nose: Roman; mouth: proportioned;
beard: none; chin: round; face: oblong; color of face: healthy; peculiar marks: none.

Be it further remembered, that the above mentioned Mr C. J. F. Shroudenback's life
was hitherto not only above any blame and vituperation with regard to his political or
moral character, but that he is rather worthy of all recommendation as a gentleman,
moreover that all magistrates of foreign princes, potentates, states or sovereignties
whatsoever can be requested to let him travel unimpeditely and securely and to
grant him the protection and assistance, he might perhaps be in need of.

DEPARTMENT OF STATE,

WASHINGTON, April, 1850.

Citizens of the United States visiting foreign countries are liable to serious inconvenience, if unprovided with authentic proof of their national character. The best security against this is a passport from the Department of State, certifying the bearer to be a citizen of the United States; which passports are issued *gratis*, upon application supported by proof of citizenship.

This proof need be transmitted but once. On all subsequent occasions, a simple reference to it, and to the period when it was presented, will be sufficient.

When the applicant is a *native citizen of the United States*, he must transmit an affidavit of this fact, stating his age and place of birth, signed by him, and sworn to by himself, and one other citizen of the United States named therein, to whom he is personally known, and to the best of whose knowledge and belief the declaration made by him is true. This affidavit must be attested by a Notary Public, under his signature and seal of office. When there is no Notary in the place, the affidavit may be made before a Justice of the Peace, or other officer authorized to administer oaths.

If the applicant be a *naturalized citizen*, his certificate of naturalization must be transmitted for inspection. It will be returned with the passport.

The application should be accompanied with a description of the person, stating the following particulars, viz: Age: 26 years. Stature: 5 feet 10 inches (English measure.) Forehead: High. Eyes: Gray. Nose: Middle. Mouth: Midling. Chin: Moderate. Hair: Light Brown. Complexion: Fair. Face: Long.

When the applicant is to be accompanied by his wife, children, or servants, or by females under his protection, it will be sufficient to state the name and ages of such persons, and their relationship to the applicant.

Persons who leave the country, expecting to obtain passports, whilst abroad, from the Diplomatic or Consular agents of the United States, are liable to disappointment; inasmuch as it is the duty of those agents to observe the utmost caution in granting documents in the nature of a certificate of citizenship, to those persons only who are certainly known to be entitled to them; and it is sometimes difficult, if not impracticable, to procure proof of this fact in a foreign country.

Certificates of citizenship, or passports issuing from the State Authorities, or from the Judicial or the Municipal Functionaries of our country, are not recognised by the officers of foreign Governments; and if the Diplomatic and Consular agents of the United States are called upon to certify to the authenticity of such document, they cannot do this, for want of that official information in regard to those authorities and functionaries, and to their respective signatures and seals of office, which is indispensably necessary in the case of every such certificate.

Will the Secretary of State forward
me a passport all filled out
for this man.

To the Hon. W. L. Marcy,

Sir.

Will you be good enough
to cause to be forwarded to me a passport as soon as
may be convenient? Early in May, Governor Johnson
applied for me for me to the Department of State; and
about the 12th ult. I sent a description of person and a state-
ment of the way in which I became a citizen, to which I made
affidavit as required, and about the 28th ult. I caused a cer-
tificate of my Father's naturalization to be sent from ^{the court in} Chil-
licothe, Ohio. It may be that a passport has been sent through
misapprehension to Ohio for me; but I cannot write for it so as
to have it forwarded to me in time; and as it will be of serious
inconvenience to me if I am delayed by failing to receive one in
time, I earnestly hope you will cause one to be sent to me at
"La Fayette, Walker Co., Georgia." and thereby greatly oblige

Yours very respectfully

On 11th June I addressed a letter to the Secretary, asking the favor to request you to issue and mail a Passport to me in this city - but have not heard in reply.

I now beg you to do me the favor to refer to the record of one given to me personally - at Newark 14th 1850. No 403 - and give me a duplicate - excepting the fee - which make \$4 - not \$5 - as would seem - and address it to me by first mail to the Girard House, Philadelphia.

I presumed the fact of my then obtaining one would be all you now require to issue me another - but if not - you would greatly oblige me by advising me at the Girard House - what is necessary to conform to your regulations and I will at once comply with them.

I referred in my letter to the Secretary, to a friend of his, as knowing me - to prevent any disappointment - and hope you will now render me the favor I ask, which I shall gratefully esteem.

Respectfully Yours.

To the Hon William L. Marcy
Secretary of State

Sir.

I beg leave to apply
for a passport for Mr William J. Rice who will
be temporarily absent this Summer in various parts of
Europe.

Mr Rice is a member of a wealthy and respectable
mercantile firm in this City and has a large amount
of money invested in his business & elsewhere in the
United States; he is about proceeding to Germany to
collect a portion of property to which he is entitled but
intends to return in September next and permanently
reside in and become a citizen of the United States.

I enclose herewith the requisite certificates & together
with an affidavit of Mr Stewart Brown of the firm of
Brown Brothers & Co the well known bankers -

Mr Ree would be exposed to many difficulties and
excessive delays without a passport, as from the
nature of his business abroad he will be obliged
to proceed by the way of Austria, Bavaria and other
adjacent States. When it is well known it would
be almost impossible for him to travel without one.

As Mr Ree has taken all the requisite steps to
become a citizen, as his property is all invested
here and all his interests identified with this
his adopted country - I trust that the State
Department will consider him entitled to
the usual passport.

that this deponent verily believes the said Kee

Dear Sir

I am unable to visit Washington as I
intended on leaving San Francisco as the steamer
leaves to morrow for Liverpool, before leaving Hallett
told me it would not be absolutely necessary to go to
Washington to get my passport, but that it could be
forwarded to me to Europe, if such is the case, will
you be so kind as to forward it to the care of the American
Consul at Liverpool where I will call for it.

Oblige Yours most respectfully

Dear Sir,

As I do not know the proper officer in your department to whom I should apply for the purpose, may I ask you to do me the kindness to direct a passport for my sister in law Mrs. Henrietta W. Fondes formerly of this City - but now of Elizabethton New Jersey, to be forwarded to me, at the latter place.

Mrs. Fondes is to sail for Europe accompanied by my son John, in the Baltic on Wednesday next. John got a passport when he went to Cuba about a year ago, & I presume this will answer for him still. Perhaps the clerk who forwards the passport, will know & have the goodness to inform me how this is; & to send a new passport for John also if it should be necessary. I would be obliged

if he would also state whether
it would be irregular or improper
to include both Mrs. Foudry & John
in one passport - as it might save
trouble & expense in having them
separately vised.

Pray excuse the liberty I take
in thus troubling you and believe
